## SECTION A – Water access licence to be added or removed from an interstate water supply work

Complete this section with the details of the water access licence and share components.

A1 Water access licence number	A2 Current share component units/ML
A3 Extraction component daily flow shares	

## SECTION B – Add nominated interstate water supply works/groups

Complete this section with the reference number for the water supply work/group of works to be tagged (eg in NSW this would be the approval number)

Insert the number of the water supply work/group of water supply works to be added. For approvals with more than one water supply work you will be adding all water supply works that are listed on the approval.

B1 Water supply work/group of water supply works reference number	
---	--

## SECTION C – Remove nominated interstate water supply works/groups

Complete this section with the details of the nominated interstate water supply work/group to be removed.

Insert the number of the water supply work/group of water supply works to be removed. For approvals with more than one water supply work you will be adding all water supply works that are listed on the approval.

C1 Water supply work/group of water supply works reference number	
---	--

## SECTION D – Water access licence holder/s details

List ALL holders of the Water Access Licence to which an interstate water supply work will be added or removed. All holders must sign the declaration (Section F). See the [guide](#) for further information. If there are more than four holders, photocopy/print additional copies of Section D complete it and attach it to this form.

Please note that applications submitted via email **must** include the email addresses of all listed applicants.

### Holder

D1 Title (Mr. Mrs. Ms.)	D2 Surname	D3 D.O.B.

## SECTION E – Nominated contact person

**NOTE:** If there is only one holder, you do not need to complete this section. If there are multiple holders and this section has not been completed, WaterNSW will assume the first holder listed on the form is the authorised contact person.

If a third party (such as a solicitor or broker) is acting on behalf of the water access licence holders, and they are to be considered the nominated contact, their details must be provided below.

### Nominated contact details (if applicable)

E1 Title (Mr. Mrs. Ms.)	E2 Surname	E3 D.O.B.
E4 Full legal name/s (including middle name/s)		
E5 Company/corporation name (if applicable)		
E6 ACN (if applicable)	E7 ABN (If you do not hold an ACN and are an organisation incorporated in NSW you must provide an ABN.)	
E8 Position held (if applicable)		
E9 Postal address		
E10 Town	E11 State	E12 Postcode
E13 Phone		E14 Mobile phone
E15 Email		

Listing a nominated contact person assists us in processing your application where there are multiple holders. We may need to contact the nominated contact person to discuss the details contained in your application. In addition, any request for additional information about your application will be sent to the nominated contact person. Any information provided by the nominated contact person will be relied upon by WaterNSW in considering this application. A delay in responding to any such request may result in your application being further delayed or refused.

The rights and liabilities arising in relation to this application is shared by all applicants and not limited to the nominated contact person. Any changes to any details of an application for an approval (except for minor changes to contact details of an applicant) or withdrawal of the application must be in writing and signed and dated by all holders. Further, the Notice of decision and conditions statement issued in relation to your application will be sent to all applicants.

## SECTION F – Declaration of applicant/s

Section F must be fully completed and signed by each holder of the water access licence that is being added to or removed from an interstate water supply work/group of water supply works. If it is not fully completed, WaterNSW will return the application to the applicant/s as an invalid application. Please refer to the accompanying [guide](#) to the Application to nominate or remove an interstate water supply work/group of works for further information.

If there are multiple holders, please ensure that you retain signed copies of the completed application form for your records.

It is an offence, under section 344 of the *Water Management Act 2000*, to make a statement that you know to be false or misleading in, or in connection with, this application.

I/We, the undersigned applicants, acknowledge and agree:

1. that I/we apply to nominate or remove an interstate water supply works/groups of works as described in this application
2. that this application will be determined in accordance with the *Water Management Act 2000* and any associated regulations or guidelines as in force from time to time, and that no right or entitlement shall arise pending determination of this application and that any such determination may be subject to conditions
3. that the authorised contact person (where applicable) has my permission to act for and on my behalf in relation to any aspect of this application unless otherwise notified by us, and that WaterNSW will rely on information provided by the authorised contact person in its consideration of this application
4. that the Crown in right of the State of New South Wales, including WaterNSW and its officers, employees, agents and successors ('the State'), accepts no liability in relation to any action, proceeding, claim, demand, cost, loss, damage or expense (including reasonable legal costs or expenses) arising directly or indirectly as a result of or in connection with this application or any act or omission of the State in connection with this application and I/we hereby agree to release and indemnify the State from and against any such action, proceeding, claim, demand, cost, loss, damage or expense to the fullest extent permitted by law
5. that all information contained in this application is accurate, true and complete in every detail and that the State will rely on such information
6. that I/we have read and understood the information contained in the WaterNSW privacy statement (below)
7. that by entering a mobile phone number and/or email address, you consent to WaterNSW communicating with you electronically in relation to this application. Unless you indicate otherwise, all correspondence will be sent via email or SMS
8. that WaterNSW may collect, use and disclose my personal information as outlined in the WaterNSW privacy statement (below) and I consent to WaterNSW collecting, using and disclosing my personal information in accordance with the WaterNSW privacy statement
9. that I/we consent to WaterNSW sharing my personal information with NSW Government agencies or State-Owned Corporations from time to time
10. that the State does not provide any legal, financial or technical advice in connection with this application and that any such advice, if required, is to be obtained independently
11. that details about any licence arising out of this application will be recorded in the publicly available Water Access Licence Register pursuant to the *Water Management Act 2000*;

12. that if this application is incomplete, it will not be accepted; and that more information may be requested if it is considered that it would be relevant to the consideration of this application

**For applications made by individuals.**

I/We have read and understand the accompanying [guide](#) relating to nominate or remove an interstate water supply work/group of works.

## SECTION H – Privacy statement

The personal information you provide on this form will be used and protected in accordance with the WaterNSW Privacy Policy. The information is being collected by WaterNSW and will be used for purposes related to assessing and processing your application, or in connection with the operation of any approval granted, or for research-related purposes such as customer surveys. It may be used from time to time to contact you about services WaterNSW provides.

If an approval is granted, the *Water Management Act 2000* requires that various details relating to the approval are to be recorded in the Register of Water Access Licences kept by the Minister. Information recorded in the register is publicly available.

WaterNSW will not disclose your personal information unless authorised by law. The provision of this information is voluntary. However, if you choose not to provide the requested information, we will not be able to process your application. You have the right to request access to, and correct details of, your personal information held by the department. Further information regarding privacy can be obtained from the WaterNSW website at [waternsw.com.au](http://waternsw.com.au)

## SECTION I – Offences and suspension or cancellation

It is an offence, under section 344 of the *Water Management Act 2000*, to make a statement that you know to be false or misleading in, or in connection with, this application. A Corporation found guilty of an offence against section 344 is liable to a penalty of \$2.002 million. An individual found guilty of an offence against section 344 is liable to a penalty not exceeding \$500,500. An approval and/or licence as applicable may be suspended or cancelled under the *Water Management Act 2000* in certain circumstances. These include if the holder of the approval is convicted of an offence under that Act.
