Listing a nominated contact person assists us in processing your application where there are multiple holders. We may need to contact the nominated contact person to discuss the details contained in your application. In addition, any request for additional information about your application will be sent to the nominated contact person. Any information provided by the nominated contact person will be relied upon by WaterNSW in considering this application. A delay in responding to any such request may result in your application being further delayed or refused.

The rights and liabilities arising in relation to this application is shared by all applicants and not limited to the nominated contact person. Any changes to any details of an application for a surrender (except for minor changes to contact details of an applicant) or withdrawal of the application must be in writing and signed and dated by all holders. Further, the Notice of decision issued in relation to your application will be sent to all applicants.

Section D: Nominated water access licence

Provide details below of any water access licences attached to this water supply work approval. If there is a nominated water access licence and you wish to continue to take water using this water access licence another water supply work will need to be nominated. To nominate a new water supply work approval use [Application for a new or amended water supply work and/or water use approval](#).

Section E: – Decommission of water supply work

To surrender a water supply work approval the work/s must be unable to be used to take water unless it is exempt. For further information on exemptions, visit waternsw.com.au/approvals and scroll down to the section on exceptions.

Refer to the [guide for surrender an approval](#) for information on the action to be taken for decommissioning different types of works.

For bores

All constructed bores have been approved for decommissioning (where required under the Water Sharing Plan (WSP)), or relevant information provided. All bores are to be decommissioned in line with the [minimum construction requirement for water bores in Australia](#).

Note: A Bore Construction Report (previously known as a 'Form A') is to be lodged for all decommissioned bores.

I/We, the applicant/s, understand and acknowledge that

Please tick which is applicable.

- Bore has not been constructed.
- Bore unable to be located on property and statutory declaration provided.
- Bore has been constructed and decommissioned in line with the requirements outlined in the guide to this application and a Form A has been submitted by the Driller.

Other works

For all other constructed water supply work approvals **including pumps, pipes and dam**, the work has been decommissioned or will be decommissioned unless exempt.

Please tick which is applicable.

- Work/s has/have not been constructed.
- Constructed work/s has/have been decommissioned or a plan has been developed outlining the actions to be undertaken to decommission the works associated with the approvals.

Section F: Declaration of applicants

Section F must be fully completed and signed by each holder of the water supply work approval that is being surrendered. If it is not fully completed, WaterNSW will return the application to the applicant/s as an invalid application. Please refer to the accompanying [guide](#) for surrendering a water supply work approval.

If there are multiple holders, please ensure that you retain signed copies of the completed application form for your records.

It is an offence, under section 344 of the *Water Management Act 2000*, to make a statement that you know to be false or misleading in, or in connection with, this application.

I/We, the undersigned applicants, acknowledge and agree:

1. that I/we apply to surrender the water supply work approval as described in this application and all works included on the approval have been decommissioned unless exempt.
2. that this application will be determined in accordance with the *Water Management Act 2000* and any associated regulations or guidelines as in force from time to time, and that no right or entitlement shall arise pending determination of this application.
3. that the authorised contact person (where applicable) has my permission to act for and on my behalf in relation to any aspect of this application unless otherwise notified by us, and that WaterNSW will rely on information provided by the authorised contact person in its consideration of this application.
4. that the Crown in right of the State of New South Wales, including WaterNSW and its officers, employees, agents and successors ('the State'), accepts no liability in relation to any action, proceeding, claim, demand, cost, loss, damage or expense (including reasonable legal costs or expenses) arising directly or indirectly as a result of or in connection with this application or any act or omission of the State in connection with this application and I/we hereby agree to release and indemnify the State from and against any such action, proceeding, claim, demand, cost, loss, damage or expense to the fullest extent permitted by law.
5. that all information contained in this application is accurate, true and complete in every detail and that the State will rely on such information.
6. that I/we have read and understood the information contained in the WaterNSW privacy statement (below).
7. that by entering a mobile phone number and/or email address, you consent to WaterNSW communicating with you electronically in relation to this application. Unless you indicate otherwise, all correspondence will be sent via email or SMS.
8. that WaterNSW may collect, use and disclose my personal information as outlined in the WaterNSW privacy statement (below) and I consent to WaterNSW collecting, using and disclosing my personal information in accordance with the WaterNSW privacy statement.
9. that I/we consent to WaterNSW sharing my personal information with NSW Government agencies or State-Owned Corporations from time to time.
10. that the State does not provide any legal, financial or technical advice in connection with this application and that any such advice, if required, is to be obtained independently.
11. that details about any approval arising out of this application will be recorded in the publicly available Water Register pursuant to the *Water Management Act 2000*.
12. that if this application is incomplete, it will not be accepted; and that more information may be requested if it is considered that it would be relevant to the consideration of this application.

For applications made by individuals.

I/We have read and understand the accompanying guide relating to surrender a water supply work approval.

Section G: Privacy statement

The personal information you provide on this form will be used and protected in accordance with the WaterNSW privacy policy. The information is being collected by WaterNSW and will be used for purposes related to assessing and processing your application, or in connection with the operation of any approval granted, or for research-related purposes such as customer surveys. It may be used from time to time to contact you about services WaterNSW provides.

If an approval is granted, the *Water Management Act 2000* requires that various details relating to the approval are to be recorded in the Register of Water Approvals kept by the Minister. Information recorded in the register is publicly available.

WaterNSW will not disclose your personal information unless authorised by law. The provision of this information is voluntary. However, if you choose not to provide the requested information, we will not be able to process your application. You have the right to request access to, and correct details of, your personal information held by WaterNSW. Further information regarding privacy can be obtained at waternsw.com.au/privacy

Section H: Offences and suspension or cancellation

It is an offence, under section 344 of the *Water Management Act 2000*, to make a statement that you know to be false or misleading in, or in connection with, this application. A corporation found guilty of an offence against section 344 is liable to a penalty of \$2.002 million. An individual found guilty of an offence against section 344 is liable to a penalty not exceeding \$500,500. An approval and/or licences as applicable may be suspended or cancelled under the *Water Management Act 2000* in certain circumstances. These include if the holder of the approval is convicted of an offence under that Act.
