

Application to assign daily flow shares between water access licences

Use this application form to apply to assign individual daily extraction components between water access licences, of the same category with respect to the same water management area or water source, under section 71Q of the *Water Management Act 2000* (WM Act).

STEPS TO APPLY

1. Complete the application form using the associated guide

Applicants are advised to read the guide to the application available at:

waternsw.com.au/applications. The guide provides information to assist answering each question, paying application fees and submitting the application form. There are three options for completing your application – you can either:

- apply online using our quick and easy, interactive [Water Applications Online](#) service, or
- complete a 'fillable' PDF application form (use Adobe Acrobat Reader version 11 or higher which you can download free of charge), or
- print the PDF application form and fill it out by hand in capital letters with a black/blue pen.

2. Ensure the completed application form is signed by all applicants

The completed application form must be signed by all applicants. If you are applying online or completing the fillable PDF, you will need to print the completed application form for it to be signed.

3. Submit the completed and signed application form

Post the completed and signed application form to WaterNSW, PO Box 398 Parramatta 2124. WaterNSW may contact you to request further information in relation to the application.

4. Register the dealing with Land and Property Information (LPI)

An assignment of individual daily extraction components between water access licences is enabled through water access licence dealings under the WM Act.

If the Minister grants consent to a dealing, it does not take effect until the transaction has been registered in the Water Access Licence Register which is administered by LPI. The applicant is responsible for registering a dealing with LPI. Refer to the guide for further information.

If this section has not been completed, WaterNSW will assume the first licence holder listed on the form is the authorised contact person and contact that person, if necessary, prior to the determination of an application.

Listing an authorised contact person assists WaterNSW in processing your application. WaterNSW may contact the authorised contact person to discuss the details contained in your application. Any information provided by the authorised contact person will be relied upon by WaterNSW in considering this application.

In addition, any request for additional information about your application will be sent to the authorised contact person. A delay in responding to any such request may result in your application being further delayed or refused.

Changes to any details of this application (except for minor changes to contact details of a licence holder) must be in writing, and signed and dated by all licence holders.

SECTION E: Declaration

Each holder of the access licence which will have its individual daily extraction component reduced, and each holder of the access licence which will have its individual daily extraction component increased, must sign Section F.

Photocopy/print multiple copies of the entire form after Sections A to E have been completed (before anyone signs Section F) if there are more than three licence holders.

I/We, the undersigned applicants, acknowledge and agree:

- a) that I/We apply to assign individual daily extraction components between water access licences as described in this application;
- b) that this application will be determined in accordance with the *Water Management Act 2000* and any associated regulations or guidelines as in force from time to time, and that no right or entitlement shall arise pending determination of this application and that any such determination may be subject to conditions;

- c)** that the authorised contact person (where applicable) is authorised to act for and on my behalf in relation to any aspect of this application, unless otherwise notified by us, and that WaterNSW will rely on information provided by the authorised contact person in its consideration of this application;
- d)** that the Crown in right of the State of New South Wales, including the WaterNSW and its officers, employees, agents and successors ('the State'), accepts no liability in relation to any action, proceeding, claim, demand, cost, loss, damage or expense (including reasonable legal costs or expenses) arising directly or indirectly as a result of or in connection with this application or any act or omission of the State in connection with this application and I/we hereby agree to release and indemnify the State from and against any such action, proceeding, claim, demand, cost, loss, damage or expense to the fullest extent permitted by law;
- e)** that all information contained in this application is accurate, true and complete and that the Crown in right of the State of New South Wales, including the WaterNSW and its officers, employees, agents and successors ('the State') will rely on such information;
- f)** that the State does not provide any legal, financial or technical advice in connection with this application and that any such advice, if required, is to be obtained independently;
- g)** that details about any licence arising out of this application will be recorded in the publicly available Water Access Licence Register pursuant to the *Water Management Act 2000*;
- h)** that if this application is incomplete it may not be accepted; and
- i)** that more information may be requested if it is considered that it would be relevant to the consideration of this application.

Privacy note

The personal information you provide in this form will be treated in accordance with the *Privacy and Personal Information Protection Act 1998*, under which you have rights of access and correction. Your personal information will be used by WaterNSW for assessing and processing your application or in connection with the operation of any water access licence granted and may be disclosed to State or Commonwealth public authorities and other parties: (i) for any of the above mentioned purposes; or (ii) for research related purposes; or (iii) as required by law. It may be used from time to time to contact you about services WaterNSW provides.

If a water access licence is granted, the *Water Management Act 2000* requires that various details relating to the licence are to be recorded in the Water Access Licence Register kept by the Minister. Information recorded in the register is publicly available.

Offences and suspension or cancellation

It is an offence, under section 344 of the *Water Management Act 2000*, to make a statement that you know to be false or misleading in, or in connection with, this application. A corporation found guilty of an offence against section 344 is liable to a penalty not exceeding \$1.1 million. An individual found guilty of an offence against section 344 is liable to a penalty not exceeding \$247,500.

An access licence or approval may be suspended or cancelled under the *Water Management Act 2000* in certain circumstances. These include if the holder of the licence or approval is convicted of an offence under that Act.
