

Customer Water Needs Survey

18 September 2020

Block release survey and expressions of interest for potential supplementary access

To assist us with managing water supplies and planning water deliveries, we would appreciate your feedback about your plans for using water in the Border, Gwydir and Lower Namoi over the coming months.

Please take a short survey to:

- tell us about your regulated river water requirements for the season ahead, and
- to lodge an expression of interest (EOI) for any future supplementary events that occur this water year.

The survey should only take a few minutes to complete.

Access the survey here <https://www.surveymonkey.com/r/blockrelease>

Please complete the survey by **4 October 2020**.

Contact our Customer Service Centre for any questions on **1300 662 077** or email Customer.Helpdesk@waternsw.com.au.
