By signing this declaration:

- I/We apply to be charged under Clause 4.1(b) of Schedule 2 of the IPART's 2010 Water Determination for WaterNSW.
- I/we have a meter installed for the measurement of water.
- I/we certify that the meter measures the total of all water taken in accordance with the conditions of this licence.
- I/we certify that the meter has been installed in accordance with the manufacturer's specifications, and I/we agree to make these specifications available to WaterNSW or its agent upon request.
- I/we agree to maintain the meter in accordance with any instructions from the manufacturer and any directions from WaterNSW.
- I/we agree that WaterNSW officers are authorised to undertake inspections, tests and readings of the meter as and when required, and I/we agree to allow reasonable access by WaterNSW to the meter and associated equipment.
- I/we agree that for the purposes of water charges, this application will take effect in the immediate, subsequent billing year (starting 1 July), and no earlier than three months from the date of receipt of this application, unless mutually agreed by WaterNSW and myself/ourselves.
- I/we agree that an annual meter reading charge (as determined by IPART) will be incurred for this meter.
- I/we agree to make meter readings available to WaterNSW as and when required.
