## General instructions

To make sure that your application is processed efficiently please note these general instructions:

- This form is a writable PDF (you'll need Adobe Acrobat Reader version 8 or above). Alternatively, you can print it out and fill it in by hand, please use black/blue ink pen and BLOCK letters.
- If there is not enough space on the form for all your information, complete the answer on a separate sheet of paper and attach it to the application form (remember to include this page when numbering your pages).
- Ensure that you fully complete the form, as all the information is necessary to verify and process your application – it may be rejected if all the information is not available for the assessment.
- Include the appropriate fee with your application (See [www.waternsw.com.au](http://www.waternsw.com.au) for a schedule of fees).

## Section A: Interstate water entitlement - State of Origin.

**A1-2** Insert the number of the water share (Victoria) or the entitlement (South Australia).

You will need to obtain and complete the State of Origin form required by the relevant interstate agency. The State of Origin form comprises an integral component of your application. Failure to attach the completed State of Origin form will invalidate this application.

## Section B: NSW approval (extraction point) – State of Destination

This section is used to specify the nominated works (NSW extraction point) to which the interstate entitlement specified in A1 is to be 'tagged'.

**B1** Enter the NSW approval number. The approval must either be a water supply work approval or a combined water supply work and water use approval.

## Section C: Nominated contact

These are the contact details of either the applicant or the applicant's representative. All correspondence related to this application will be sent to the contact person.

## Section D: Declaration of WAL holders

Please ensure you understand your legal obligations before signing this document.

If you require assistance, please contact your local WaterNSW Office.

- D1** Each of the approval holders must fill in their name, followed by a signature and the date of signing.
- D2** If the holder is a company, insert the name of the company.
- D3** Insert the name of the company signatory/representative.
- D4** Insert the title or position of the company's signatory/representative.
- D5** An independent witness is required to sign this section in order to verify that the position stated in D3 above, is the position held by the signatory in D4.

## Submitting your application

Submit your completed application (including the State of Origin form) to the agency administering the interstate water licence. The relevant agency in the State of Origin will forward the application (including this form) to WaterNSW if it is accepted. The application will be delayed if it is incomplete or incorrect, as further information will be requested. If this information is not received within the specified time, WaterNSW will reject the application.

The relevant agency in the State of Origin will forward a copy of the whole application (including this form) once it is accepted.
