

We strive to ensure that our people and our services are accessible to our customers. To achieve this, we will ensure that we have the appropriate resources to meet our customers' needs and we will operate in accordance with our legislative requirements, including our Operating Licence, Water Sharing Plans, *Water Management Act 2000*, *Water Act 1912* and *Water NSW Act 2014*.

CUSTOMER CONTACT

You can expect our people to:

- be courteous, helpful and communicate clearly
- behave responsibly in accordance with our Code of Conduct
- listen and respond to your requests, including access to your property, in an appropriate way
- make office hours and contact details accessible.

To help us do this we need you to:

- provide reasonable access to supply works on your property, in keeping with the NSW workplace health and safety standards
- treat our people in a courteous and non-discriminatory manner
- provide feedback on our service and contact us when you want more information
- participate in surveys to provide feedback to improve our service to customers.

LICENCING REGULATION AND DEALINGS

We strive to provide information and approvals to our customers timely and efficiently, providing advice and recommendations in an appropriate manner.

To achieve this, we will operate within our legislative requirements, including operating under the powers provided in the *Water Management Act 2000*.

By doing this, you can expect:

- knowledgeable and accessible information through our Customer Service Centre or via our website for water licencing and works approvals
- information and guidance on the appropriate approval path for your particular needs
- timely approvals for compliant applications.

To help us do this we need you to assist the application process, including:

- accurate applications for licences and works approvals
- timely responses where additional information is requested
- timely provision of required documents and legal information where required.

We will process your applications professionally in a timely manner. Please ensure your applications are completed in full with accurate information before submitting.

WATER DELIVERY, ORDERING AND REPORTING

We strive to deliver water to our customers on time, through the most efficient and effective means possible, in an environmentally responsible manner.

By doing this, you can expect:

- accessible water ordering system through either the Customer Service Centre or the internet Water Accounting System (iWAS)
- timely water delivery within the limits of system response times
- that we will inform you of any water delivery issues
- assets that are maintained and fit for service
- proactive management for optimal water availability
- timely delivery of updated information by Valley on our website
- standard water reports made available via our website
- all water releases considered likely environmental impacts.

Customer Service Charter

To help us to do this, we need you to adhere to the conditions of your water licence, including:

- timely water ordering, in accordance with the specified conditions
- maintaining a positive water account balance.

All future metering enquiries regarding installation should be referred to the NSW Government's Water Reform Action Plan at industry.nsw.gov.au/water

INFORMATION AND COMMUNICATION

We strive to provide clear, concise and accessible information at the appropriate time in an appropriate manner.

To achieve this, we will:

- regularly meet with Customer Advisory Groups across NSW
- consult with affected communities on major projects
- provide a one-stop customer information service
- provide easily accessed information on our internet site and iWAS including:
 - o dam levels
 - o river heights
 - o general water related information
- survey customers regularly to measure their satisfaction with our services.

By doing this, you can expect:

- accurate invoices and water information and prompt resolution of concerns
- options for how, where and when you pay us and a willingness to negotiate payment terms if you are experiencing difficulties
- confidential use of your personal information in accordance with the law.

To help us do this, we need you to:

- pay your invoice on time
- contact us if you have difficulty paying your invoice.

TROUBLE PAYING YOUR BILL

WaterNSW is committed to helping customers who are facing financial hardship to keep their water flowing.

We call it hardship when customers would like to pay their water charges but really cannot manage to do so.

This may be only for a short time, due to circumstances such as illness, or for a prolonged period because of the impact due to natural disasters such as fire, flood or drought, or being impacted by domestic or family violence, or any other cause reasonably considered that impacts your ability to pay us for your water charges.

To view our hardship policy which outlines what we can offer you in the event that you are experiencing hardship, please visit our website at waternsw.com.au

CUSTOMER FEEDBACK AND COMPLAINTS

We are committed to providing our customers with excellent service.

If you are dissatisfied with any aspect of our services, we would like to hear from you as this feedback helps us monitor and improve customer service levels. Similarly, if you have experienced exceptional service, please tell us.

Our [feedback, compliments and complaints policy](#) provides a framework for our staff to address your complaint to ensure we respond to your needs.

To give feedback, you can:
