

Record monthly basic landholder rights (BLR) water usage taken through a licensed work

To comply with Clause 244 of the Water Management (General) Regulation 2018, you must record your monthly basic landholder rights (BLR) usage using this form and report it to us by the 14th day of the following month even if you did not take any water for BLR.

Please complete a separate reading for each meter. If you do not plan to take any further water for BLR this water year (30 June - 1 July), complete the [No-take notice](#) and the requirement to report your BLR usage will be removed until the end of the water year.

Did you know?

You can save time by reporting online **using our water accounting system, iWAS**. Save the hassle of hardcopy forms and register or login to submit your usage in iWAS today! Visit waternsw.com.au/iwas

Privacy statement

The personal information you provide on this form will be used and protected in accordance with the WaterNSW privacy policy. It is being collected by WaterNSW and will be used for purposes relating to your condition requirement to record and report your licensed water take in line with the applicable monitoring, recording, and reporting Water Management (General) Regulation 2018 clause(s).

WaterNSW will not disclose your personal information to anybody else unless authorised by law. You have the right to request access to, and correct details of, your personal information held by WaterNSW. Monitoring, recording, and reporting conditions applicable to water licences require some personal information in compliance with the relevant legislation and to provide you with our services. If you choose not to provide the requested information in this form, required for compliance with your licence conditions and to provide you with our services, you may not be able to take water as your licence may be suspended or cancelled, and, more generally, you may be in breach of the *Water Management Act 2000*. Further information regarding privacy can be obtained from our website at waternsw.com.au

Offences and penalties

It is an offence, under section 344 of the *Water Management Act 2000*, to make a statement that you know to be false or misleading in, or in connection with, this application.

A corporation found guilty of an offence against section 344 is liable to a penalty not exceeding \$2.002 million. An individual found guilty of an offence against section 344 is liable to a penalty not exceeding \$500,500. An access licence or approval may be suspended or cancelled under the *Water Management Act 2000* in certain circumstances. These include if the holder of the licence or approval is convicted of an offence under that Act.
