Tips and hints

- The 'Trade Number SWC' that needs to be entered on the Westpac payment page is the unique 6-digit code located at the top-right of your trade form after the letters 'SWC'.
- This identifier is important to make sure we can process your trade quickly.
- This SWC number can only be used once.
- There needs to be a separate payment for each water allocation trade.
- After you have entered your unique SWC number, as well as your credit card information, please remember to enter your email address. This will provide you with an instant receipt for your payment that will be emailed to you.
